Cure Medical donates 10% of net income to medical research in pursuit of a cure for spinal cord injuries and central nervous system disorders.

Research is the key.

Cure Medical is founded on the unsurpassed **Cure Commitment to donate 10% of net income to research in pursuit of a cure for SCI and CNS/D**. As a result, when you use any Cure Medical product for routine catheterization you experience all these benefits:

- **Supporting research** in pursuit of a cure for SCI and CNS/D
- **Smooth polished eyelets** on all catheters for increased comfort
- **DEHP* free and latex free** for maximum protection

Cure Medical offers traditional products such as the **Cure Catheter®** for men, women, and children; the **Cure Catheter® Closed System** with 1500 ml collection bag; and the **Cure Medical® Catheter Insertion Kit**. In addition, Cure Medical offers new products for men and women on the go:

The flexible, U-shape **Cure Medical® Pocket Catheter** enables men to conveniently and discreetly carry the product in a pants pocket.

The small **Cure Twist™** for women delivers 'No Drip/No Mess' use of a pre-lubricated catheter in a discrete, attractive package with easy, twist open top.

Return Policy

Written authorization is required prior to the return of any product. GEMCO Medical will provide the dealer with a Return Material Authorization (RMA) number upon verification and approval of the return request. Upon receipt of authorization to return product, the customer is required to note the Return Material Authorization number on the original packing list and ship the product in the original carton in resaleable condition to the designated GEMCO Medical facility.

Defective products in addition to the above require a detailed description of the defect to be provided prior to issuance of a RMA for the return. GEMCO Medical will inspect the defective product in accordance with the manufacturer's requirements and then determine if the product will be repaired, replaced or credited. Manufacturer's warranty has first priority.

Notification of shortages and/or damages must be made within three business days of receipt. All returns require a Return Merchandise Authorization number (RMA#) from the GEMCO Medical Customer Service Department. This number is valid for 30 days. A copy of the invoice must accompany the return for proper credit to be issued.

Returns received at a GEMCO Medical facility without prior approval will not be credited. All authorized returns must be shipped to the destination specified by GEMCO Medical. GEMCO Medical will advise the dealer of the preferred shipping method upon issuance of the Return Material Authorization Number. Collect shipments and/or unauthorized returns are subject to refusal and will be returned to the dealer at the dealer's expense. GEMCO Medical reserves the right to charge a restocking fee in an amount equal to 25% of the value of the original shipment to the dealer.

Authorized returns must be shipped back to GEMCO Medical in the original carton and must include all parts, accessories and product instructions. Unauthorized products returned with authorized products may be discarded. GEMCO Medical reserves the right to discard any authorized or unauthorized returns.

There will be no credit issued for products that are not resaleable, including but not limited to products that have been damaged, opened, expired or misused. No returns on special order items, which includes products that GEMCO Medical does not usually carry and/or stock.

When contacting a Customer Service Representative to request the return of merchandise, please be prepared to provide the following information:

- (1) The reason for the return.
- (2) The quantity of each item and number.
- (3) Invoice date and number showing the merchandise you received.
- (4) Serial number if applicable.

Dealer is responsible for maintaining and servicing all products purchased from GEMCO Medical.
